About Dulwich Paradiso Film Society

Dulwich Paradiso Film Society is a community-run film club showing quality films in the East Dulwich, Nunhead and Peckham areas.

Our regular Spring and Autumn seasons (screen upstairs here at The Mag) offer a selection of great films from around the world including the UK, France, Spain, Iran, Israel, Japan, Uruguay, Hungary and the US.

In addition, our community 'outreach' programme takes films to people who might not otherwise have the big screen experience. Our regular autism-friendly screenings, for example, are organised in partnership with the National Autistic Society (Peckham branch). And we also take our equipment 'on the road' to local sheltered housing schemes, working with partners including the British Film Institute and the Nunhead Festival.

We are a not-for-profit group run entirely by volunteers. The cost of tickets helps to pay for the licence to screen the film, room hire, improved equipment and free community film events in the SE22/SE15 area.

If you would like to find out more about our work, or help us with publicity, organisation or film selection, then we'd love to hear from you. Simple call Rick/Jane on 020 8299 1136 or email info@paradisofilm.co.uk
